You must leave movie(s) downstairs in the service area of your building by 2 PM the following day. Messengers do not ring you upstairs for this service. Please note: If your doorman/security loses a video/DVD or does not give our messengers the disc(s), your account will be held responsible for all re-rental fees incurred until the disc(s) are returned. Store Policies

Any rented item not returned by its due date will be Re-rented out to your account until it is returned. You will be billed to replenish your prepaid rental account if needed until the movie(s) is returned. We will bill the amount of previous rental credits you have purchased unless the amount is greater and we will upgrade you to a higher package. Each movie is a 1, 2, or a 5 night rental so on each night it is overdue it will re-rent for its same rental period. For example- 2 night rentals will re-rent every 2 nights until returned. All due dates are clearly marked on your receipt. If you lose your receipt please call the store to find out the films due date. Please do not assume the film is not due back until you decide to return it. Every film has a due date. If you scratch or crack a DVD we will bill you the cost to replace it upon return. All Individual renters will be billed 4.99 per rental period onto their credit card for re-rentals. Applicant agrees that We Deliver Videos may pursue all avenues of collection, including use of collection agencies, and authorizes We Deliver Videos to prepare and submit credit card charges using any of the charge cards on applicant's account in order to recover any debts and all other unpaid amounts due to (a) Applicant's failure to timely return all items rented through the membership, (b) damages to returned items (not to exceed the retail price of the item), and (c) other unpaid charges and reasonable legal fees resulting from the failure to return rented items.

If You Lose a Film - Please contact a store employee immediately to find out the suggested retail price of the film. We will try to get the cheapest price available to replace the film and bill you accordingly. You must keep a valid credit card on file to keep your account open.
